

## Backend

```
graph TD; subgraph Backend; RH[Rest Handler]; DP[Data Processor]; DB[(Database)]; end
```

The diagram illustrates the Backend architecture, which is contained within a large rounded rectangle. At the top center of this rectangle is the label "Backend". Below this label, there are three vertical rectangular boxes arranged side-by-side. The leftmost box is green and contains the text "Rest Handler". The middle box is light blue and contains the text "Data Processor". The rightmost box is yellow and contains the text "Database". All three boxes have a thin black border.
